BluEntry Smart Application

POWERFUL FEATURES

Revamping SafeEntry. We aim to ease your life with our aesthetic interface and convenient platforms :

- #1  **- Automatic Check In & out**
We use Bluetooth Low Energy (BLE) Technology to detect your device within 15m
- #2  **- SUTD TTS**
Complete your declarations and temperature taking more efficiently
- #3  **- Set Reminders**
In case you forget your tasks
- #4  **- Activity Records**
Know your whereabouts and stay safe
- #5  **- Battery Friendly**
We care for your needs

FUTURE PLANS

Attendance Taking
